QL1   Regulation Family Life

     Next, I would like to ask you some questions about quality of life
     in your community and for your family.

     First thinking about the role of the state government in
     regulating the quality of family life . . .

     Do you think the state government should seek to increase its
     role in setting family health and safety standards, should it
     maintain its current level of involvement, or should it reduce
     its regulation of family health and safety standards?
