T1   Promote MI Sales Abroad

    Next, I would like to ask you some questions about Michigan's economy.

    How much effort should Michigan's state government devote to promoting
    the sale of Michigan's products abroad?

    Would you say the State government should devote a lot of
    effort, some effort, a little effort or no effort at all to promote
    foreign trade?

GI1   Maintain Economic Growth

    Now, thinking about global issues, (that is issues around
    the world), some social and economic problems in America can best
    be addressed by America itself, while solving other problems may
    depend on what happens in other countries.

    Thinking about maintaining economic growth and a stable
    economy in America, is this something that America can best
    address by itself, does it depend somewhat on what happens
    in other countries, or does it depend a lot on what happens
    in other countries?

N1   Effect of NAFTA

     Some years ago, the United States signed a treaty with Canada and
     Mexico called NAFTA, the North American Free Trade Agreement. The
     NAFTA treaty made it easier to import and export goods between the
     United States and its neighbors.

     I would like to ask you a few questions about this treaty.

     First, which country do you think has benefitted the most from NAFTA?

     Would you say the US, Canada, Mexico, or have they all benefitted about
     the same amount?

E1   Cost Cleaning Sites

     Now I have a few questions about the pollution in the environment,
     especially about industrial and toxic waste sites in cities.

     Sometimes these sites are bare or have vacant buildings on them, and
     nobody occupies the property any more. Such property cannot be used
     until the pollution is cleaned up.

     Who do you think should pay for the cost of cleaning
     polluted sites?

     Should it be the corporations and individuals who caused the pollution,
     or should the government pay?

       PCT   N VALUE LABEL
      87.4 844   1 CORPORATIONS AND INDIVIDUALS
       5.8   56   3 GOVERNMENT
