N1   Contributed $ to charity past 12 mos

          The first part of our interview focuses on the many different things
          people do to assist others, such as giving money and time to
          charities or non-profit organizations.

          Have you or members of your family or household contributed money
          and/or property to a charity or non-profit organization in the
          past 12 months?

CC1   Past Financial

        In this part of the survey, I'd like to ask you a few questions
        about how things are going for Michigan residents in general.

        Would you say that you (and your family living there) are
        better off or worse off financially than you were a year ago?

M1   Bothered by relationship

        Next, I have a couple of questions about marriage and relationships.

        Taking everything into consideration, how often do you feel bothered
        or upset by your marriage (relationship)? Would you say never,
        hardly ever, some of the time, most of the time, or always?

M2   Relationship Met Expectations

        Thinking about the time before you were married to your present spouse
        (involved in your current relationship), would you say that your
        marriage (relationship) has met your expectations in every way,
        in most ways, in only some ways, or really not at all?

INC1   1998 income greater than $30,000

          To get a picture of people's financial situations, we'd
          like to know the general range of incomes of all
          households we interview. This is for statistical analysis
          purposes and your answers will be kept strictly
          confidential. Now, thinking about your household's total
          annual income from all sources (including your job), did
          your household receive $30,000 or more in 1998?
