I1 Frequency Access Internet

I'd like to start by asking you some questions about your use of the internet and world wide web.

How often, if at all, do you access the Internet, either for the purposes of sending e-mail or visiting or browsing the "world wide web"?

Would you say daily, 3 to 4 times a week, once a week, a couple of times a month, once a month, a few times a year, or never?
