_____

CC1   Past Financial

     I'd like to start by asking you a few questions about how things are
     going for Michigan residents in general.

     Would you say that you (and your family living there) are better off
     or worse off financially than you were a year ago?

```
     PCT     N   VALUE   LABEL
     22.9   230      1   BETTER OFF
     20.9   209      2   ABOUT THE SAME
     56.3   565      3   WORSE OFF
              8      8   DO NOT KNOW
              0      9   REFUSED

P4a@a   Issues Legislature - 1st Mention

     There are many issues that the governor and legislature (in Lansing) could
     spend time dealing with this session. Of all the issues they could
     work on, which issue do you think is the most important for them to focus on?

cfm1   Cooperation Democrats/Republicans

        Republican and Democratic lawmakers tend to view Michigan's problems
        and challenges differently and often have different ideas for solving
        these problems and challenges.

        On a scale from 1 to 10 where 1 is not important at all
        and 10 is extremely important, in your opinion, how
        important or unimportant is it to Michigan's future that Republican and
        Democratic lawmakers cooperate with each other in developing solutions to
        Michigan's problems and challenges?

_____

D10   Trust Federal Government

    People have different ideas about how much they can trust government to
    do what is right. These ideas don't refer to Democrats or Republicans
    in particular, but just to the government in general. We want to see
    how you feel about this for each of the levels of government.

    How much of the time do you think you can trust the federal
    government in Washington to do what is right -- nearly always
    or most of the time, some of the time, seldom, or almost never?

         PCT   N   VALUE   LABEL

_____

mb6   Alternative State Income Tax

    Regardless of your income, the state of Michigan currently takes a little
    over four cents of each dollar you make for state income tax. Some
    states take more from each dollar depending on a person's income.
    Either tax system could raise the same amount of money.

    Would you favor or oppose changing from Michigan's current
    income tax system to a system where how much the state takes per dollar
    depends on how much you make?

inca   Household income (More or less than $30,000)

        To get a picture of people's financial situations, we'd like to know the
        general range of incomes of all households we interview. This is
        for statistical analysis purposes and your answers will be kept strictly
        confidential. Now, thinking about your household's total annual
        income from all sources (including your job), did your household receive
        $30,000 or more in 2007?
