CC1   Past Financial

    I'd like to start by asking you a few questions about how things are going
    for Michigan residents in general.

    Would you say that you (and your family living there) are better off or
    worse off financially than you were a year ago?

```

inca   Income $40,000 or More

    To get a picture of people's financial situations, we'd like to know the general
range of incomes of all households we interview. This is for statistical
analysis purposes and your answers will be kept strictly confidential.

    Now, thinking about your household's total annual income from all sources
(including your job), did your household receive $40,000 or more in 2008?
