D10   Trust Government: Federal

    People have different ideas about how much they can trust government to do what
    is right. These ideas do not refer to Democrats or Republicans in particular,
    but just to the government in general. We want to see how you feel about this
    for each of the levels of government.

    How much of the time do you think you can trust the federal government in
    Washington to do what is right -- nearly always or most of the time,

P4a   Michigan Government Priority

     There are many issues that the governor and legislature (in Lansing) could
spend time dealing with this session. Of all the issues they could work on, which
issue do you think is the most important for them to focus on?
